- Consuming raw or undercooked food can be hazardous to health.
- Our all natural meats are all nitrate and preservative free.
- Our tuna is caught using dolphin safe practices.
- All of our bread is organic and locally baked by our friends at Essential Baking.

ABOUT US

The newest addition to the historic Wildwood building and neighborhood in Olympia is **The Lucky Lunchbox**. Locally owned by Nicole & Jim Butigan, this gourmet sandwich shop is the little brother to **Swing Wine Bar**, which overlooks Capitol Lake.

Our all-natural and organic ingredients should evoke memories for customers of

a time when food was made without necessary disclaimers. Chef Sam Mikesell is responsible for the made-from-scratch menu that includes delicious Essential Baking organic and gluten-free breads and nitrate free meats. An Olympia family of nearly fifty years, we are committed to providing a quality product, neighborly service, and contributing to the community that supports us.
